**A reflection from Pope Francis for the Year of Prayer, Pentecost Day:** Jesus' example of praise calls us to respond as he did at times when we feel God is absent or evil seems victorious: in this way we come to view things in a new and greater perspective. Saint Francis of Assisi, praised God for everything, even "Sister Death"; Francis, together with all the saints, teaches us the importance, in all the circumstances of our lives, of praising God who is always faithful and whose love is eternal.
